

## Personal Action Plan for Bending Granite

1. Which recommended books would you like to read or listen to first? (See Resources and Connections.)
2. What changes or updates need to be made in your organization around Purpose, Process, or People?
3. What essential processes in your organization will you flowchart? Who will you involve?
4. Who else in your organization or professional circle might be interested in working with you to make your unit or organization or community, in the words of Pericles, “Greater and more beautiful than it was transmitted to me”?
5. What kind of Community of Practice, like MAQIN, is needed in your organization, area or industry?
6. How confident are you in leading productive team or planning meetings? How might you enhance your skills in that arena?
7. Who is your mentor to help you cultivate your leadership and change capacities? Who would you like to have as a mentor? How can you get a mentor?
8. What do you need to do to enhance your own leadership and change agent knowledge, skills and capacities?
